

**Article Title: Sub title** (Times New Roman, 18 pt., Bold)

**First Author** (Times New Roman, 12 pt., Bold & Italics)  
Affiliation & Mailing Address (Times New Roman, 10 pt.)

**Second Author**  
Affiliation & Mailing Address

**Third Author**  
Affiliation & Mailing Address

**Fourth Author**  
Affiliation & Mailing Address

**Abstract** (Times New Roman, 12 pt., Italics)  
*The purpose of the abstract is to give the short summary of whole research work which includes purpose, methodology, design/approach and findings of the research work done. Abstract represents at a glance of the whole research work.*

**Keywords:** *Computer Networks, Signal Processing, Instrumentation Design*

**\*Author for Correspondence** Email: correspondence author email

**INTRODUCTION** (Times New Roman, 12 pt.)

Author(s) has to provide the introduction about the research work. The concepts/theories behind the research work have to be discussed in brief.

**REVIEW OF LITERATURE** (Times New Roman, 12 pt.)

Review of related literature to provided here. The review work should have close relation with the present work.

**SCOPE OF THE STUDY** (Times New Roman, 12 pt.)

The scope of the present study should be confined, if any.

**OBJECTIVES OF THE STUDY** (Times New Roman, 12 pt.)

The objectives of the study should be mentioned here:

- 1. To study the .....
- 2. To find out the .....

**RESEARCH METHODOLOGY** (Times New Roman, 12 pt.)

This section will have the research methods adopted by the researcher. Author has to mention here the exact methodology/ research approach followed in the present work.

**RESEARCH ANALYSIS AND DISCUSSION** (Times New Roman, 12 pt.)

The research finding should be analyzed here followed by discussion. The data obtained in research work should be represented in tables and graphs.

Table 1: Name identification of table

| Particulars | Particulars | Particulars |
|-------------|-------------|-------------|
|             |             |             |
|             |             |             |

**CONCLUSION** (Times New Roman, 12 pt.)

Conclusion should be drawn from the analysis and discussion of the study.

**REFERENCES** (Times New Roman, 12 pt.)

References should be arranged in APA / Chicago style manual.
